## INSTALLATION OF JOINT CONNECTOR ASSY

### 1752-690-530-10 : Connector / Joint ASSY

When installing mower deck SMM54, install the Connector / Joint ASSY (1) to connector (2) on the machine except when machine equips with the grass collector, SBC550 or SBC600.

## INSTALLATION

1. Connector (2) is located at the rear right hand side of the machine.

2. If you dismount the grass collector from machine before installing mower deck SMM54, remove harness (for safety switch) (3) from connector (2).

3. Connect the Connector / Joint ASSY (1) to connector (2).

**IMPORTANT:** When machine equips with the grass collector, SBC550 or SBC600, connect harness (for safety switch) (3) to connector (2).
